

COMMUNITY SERVICE

Family House

At the 2005 Family House Polo Match Sponsors' Dinner, Ted Struk and his wife, Mary, a Family House volunteer since Family House opened more than twenty-two years ago, received the 2005 Muldoon Cup award. In 1992, Family House established the Michael Muldoon Cup in memory of Michael, son of Joe Muldoon, Sr., the captain of the Potomac Polo Club. Michael's love of life, family and polo, his keen sense of humor, and his compassion inspired Family House to honor his memory. Each year, recognition is bestowed upon an organization or individual whose outstanding contribution to Family House best emulates Michael's spirit.

When Family House incorporated in 1983, Ted became a member of the first Board of Directors. In 1991, he stepped up to lead the Board and served as President for four years. He remained on the Board until 2001. For twenty-one years, Dickie, McCamey & Chilcote sponsored the Best Playing Pony Award at the Family House Polo Match. Thousands of patients and families have benefited from the continued support of Ted and Dickie, McCamey & Chilcote.
