

COMMUNITY SERVICE

American Heart Association

Dickie, McCamey & Chilcote attorneys participate in the annual American Heart Association — Lawyers Have Heart 5K Race and 1-Mile Family Fun Run/Walk. Support of this event goes towards life saving research and community education programs to help stop heart disease and stroke. During the 2004 race at Schenley Park, DMC competed against many of the top firms in Pittsburgh. On an extremely humid and overcast day, DMC lead the competition and won the team victory in the 5K cross-country race.
