Dickie McCamey Takes GREAT STRIDES for Cystic Fibrosis

Dickie, McCamey & Chilcote participated in the Western Pennsylvania Chapter of the Cystic Fibrosis Foundation's GREAT STRIDES walk on May 8, 2008. The team, lead by associates Jill Albrecht and Brian Scanlon, raised over \$1,000 for the Cystic Fibrosis Foundation. Team members included associates: Mike Flynn, Brendan Kelly, Gregg Michaels, Vaughn Schultz, and Adam Warhola.

Dickie McCamey became active in GREAT STRIDES through Jill and Brian's involvement in the Cystic Fibrosis Foundation. Brian's family has a long standing relationship with CFF, and Jill became involved after a close friend lost a young family member to the disease.

This national fund-raising program, now in its 20th year, aims to raise \$40 million in 2008 to support vital cystic fibrosis research, education, and care programs. GREAT STRIDES is the CF Foundation's largest national event. Nearly 90 percent of every dollar of revenue raised by the CF Foundation is available for investment in vital CF programs.

Jill Albrecht, DMC Team Leader, said, "Our team had the support of the entire firm to accomplish the goal of raising money for CF. We are so thankful for the donations and encouragement firm wide. Next year, we hope to challenge other companies to participate in the GREAT STRIDES walk here in Pittsburgh to raise money for this important cause."
